PROPOSE VASONA AS JUNCTION OF SERRA HIGHWAY

The Campbell Planning Commission on Thursday continued the hearing on application of H. R. Hensley for a 20-lot subdivision extending from the north side of Rincon avenue, 383 feet west from Winchester Road, in which time some plan can be worked out for drainage and for street widths. Two new streets would be set up to run from Rincon in the direction of the High School and for a distance of 351 feet.

Nestor Barrett, planning consultant advised that streets be paved and that money be put on deposit with the city for the work if to be dedicated as public roads. Richard Salice, owner of the land, said he wanted the development to be done right and that deed restrictions would allow for only quality homes. He was not in favor of half streets and was certain the drainage problem could be worked when the City Engineer, Mark Thomas returns from his vacation.

The commissioners authorized a letter to be sent to the State Division of Highways proposing that it keep the route proposed in 1953 at Lark avenue instead of moving it to Burton Road on the Junipera Serra boulevard extension from Los Altos to Vasona Junction probably to intersect with Route 5 Freeway at that point.

Barrett is to start studies for a master plan on public works. He also will study needs for off-street parking plaza in the present business section and report to the commission.

E. C. Kuehnis in a letter to the planners, said that only temporary parking privileges had been given Noel Atkinson's proposed Swim Pool patrons at 220 North San Jose-Los Gatos Road, former site of the Chinchilla Farm. Kuehnis stated that work is to begin soon on the Hamilton Plaza Shopping Center and will be completed by May, 1956 immediately north of the swim pool site. A letter is to be sent Atkinson regarding parking plans.

The commission granted to Philip Flagg a variance to the number of parking spaces at the building formerly used as a food locker at 10 Lowell Way, and now to be used as a machine shop. Applicant said he would provide ten parking spaces and an access road around the building.

Sam O'Brien took his seat as a new member of the Campbell Planning Commission.

The Tri-County Planning Council meeting Monday evening at Adobe Creek Lodge is to be attended by Hollis Logue, commission chairman, Homer Hyde, commission secretary; Commissioners T. R. Solari, L. W. Harmon, and J. A. Tomlinson; Nestor Barrett, commission consultant and Evelyn Adamson, commission secretary.

HIGH SCHOOL OPENS HERE SEPTEMBER 19

Because the prune crop is about eight days late and help is needed in its harvest, Campbell and Camden High Schools will open September 19th instead of September 12 as previously planned. This is according to Laurance Hill, district High School Superintendent who this action will better assure a full attendance when school opens.

A law enacted four years ago prevents young people of school age from working in the fruit even though residing in the district where the harvest is to be made, the problem being that families with employable children will move on to other harvest areas where schools open at a later date.

Cambrian Kiwanis Carnival Sunday For Youth Projects

The Kiwanns Club of Cambrian Park is to serve its annual steak barbecue and present its Kiwanis Karnival next Sunday to raise funds for youth activities in the Cambrian area, including glasses and other items for needy children.

The affair will open at noon at the Parker School on Union Avenue and continue until early evening. Hamburgers and hot dogs will be available for children. Carnival booths with games and prizes will be open during the afternoon.

Carl Cunningham is general chairman. MacCulloch is food chairman and Roland Risso is publicity chairman.

Mountain Lake, a government protected refuge for ducks and sea gulls, is located in the Presidio of San Francisco.

Kiwanians Told

COUNTY FAIR IS LARGEST IN THE WEST

Because of the weeks and months of time needed to prepare the County Fair, the use of its facilities are needed by the management in that period so, for all practical purposes the Fair Association is in a better position to operate it than would the Board of Supervisors. As an association there is volunteer help and organizational interest, while if run by the county many of these services would have to be paid for.

This is according to Lionel Cross, member of the Santa Clara County Fair Association directorate in a luncheon talk Tuesday before the Campbell Kiwanis Club.

Cross said the fair assets are about five million dollars, about half of which sum came from state apportionment of pari mutuel tax money. Since September, 1954 there have been 66 days of use by groups other than the fair. This is the largest County Fair in California. The State Fair at Sacramento and its affiliate at Pomona are under state controls. The county fairs are for and by the people. The district fairs set up by state law are governed by boards named by the governor and usually function with pari mutuel horse race betting.

Cross predicted that a quarter of a million people will attend the fair at San Jose from September 12 through 18, as compared with 235,926 in 1954 and 101,000 in 1946, He said there were 2500 exhibits in 1954 as compared with 700 in 1946, and that there were 10,000 entries in 1954 while in 1946 there were 1500.

Howard Manson was program chairman, introducing also Don Bibbero, special events director, Lynelle Gardner, Kathy Orr and Sandy Sherik, the Fair Girls and Johnny Orlando, accordionist.

Announcer Tells Rotary How Games Are Broadcast

Earl Russell, Radio KSJO sports director and announcer, and "voice of the San Jose Red Socks" was guest speaker at Rotary's Monday luncheon. Russell discussed "Recreation of Sports Events For Broadcasting". He told in detail how many sporting events come into radio station coded on Western Union tape. How the broadcaster, from the information before him, re-creates an actual ballgame, calling out the plays as the tape relays the information to him and inserting the proper sound-effect records to give the illusion of a live broadcast.

Merv Willoughby persided in the absence of Cel Gerevas, and Don Witzel was chairman of the day.

LAST DAY TO REGISTER FOR CITY BOND VOTE

Today is the last day on which to register for the October bond election for a civic center and fire station. Registrations will be made at the firehouse until 8 P. M. this evening.

Registrants must have lived in the state one year, in the County 90 days and overnight in the house from which they are registered.

LIONS TO HEAR GENEVA REPORT

Kenneth Conn who attended the "summit" conference at Geneva as a working newspaperman, is to tell the inside story on what went on there to members of the Campbell Lions Club at a dinner meeting Tuesday, September 13. Conn executive editor for the San Jose Mercury.

Robert McBain is to be program chairman.

At a Governor's cabinet district meeting Saturday in San Ardo, a report on district activities was made by Verle Grizzle, zone chairman.

FLOOD RELIEF FUND IS BEING STARTED IN CAMPBELL AREA

A fund was started in Campbell yesterday to be forwarded to flood-stricken areas on the Atlantic Coast through the Red Cross emergency relief. Laurance Hill is local Red Cross general chairman and Henry Jewell is membership chairman. Contributions are voluntary and will be received by the Campbell Press, the High School or at Henry Jewell's office in Cambrian Corners.

STATE APPROVES TRAFFIC SIGNALS CAMPBELL, UNION

Word has been received from the office of George T. McCoy, State Engineer, that approval has been given the application for traffic signals at Campbell avenue and the San Jose-Los Gatos Road and at Union Avenue and the San Jose-Los Gatos Road.

The letter reports that a traffic study has been made at these intersections and the signalization is needed. The work has been assigned to B. W. Booker of the San Francisco office for the State Highway Division who will complete designs and prepare cost estimates. A small portion of the cost will be met by the city and the county for the Campbell avenue signals, and by the county for the Union avenue signals.

Actual work, subject to approval by city and county, will be started in late October it was indicated.

SUNOL SCHOOL DISTRICT ANNEX TO CAMPBELL

Sunol School District voters having turned down a proposition to annex to San Jose Unified School District by six voted at an election Tuesday, may petition to join the Campbell Union High School district and the Campbell Union Elementary School District, it was learned yesterday however no action to this extent has yet been taken.

The Sunol schoolhouse, erected in 1880 is one of the oldest in the county and has been condemned as unsafe from earthquakes, so a new school will have to be planned for the 200 students presently to be enrolled. The district assessment is $3,180,000 and it has $60,000 bonding capacity with $140,000 available in bond money. Present school is on a 2½ acre site which is inadequate for a school for 200 or more pupils, seven acres being the requirement.

The Sunol district is bounded on the north by Park Avenue from Meridian to San Carlos street then to Buena Vista south to Moorpark and over to Race street, Lincoln and Auzerais, embracing an area of less than a square mile.

A. S. Cakebread, staff member of the County Superintendent of Schools office, said a law was recently enacted that a school district such as this must join a high school district before February, 1957 and failing to act by their own choice will be assigned by action of the County Re-organization committee, who are laymen. This committee, headed by Verne Hall, former school head at Sunnyvale and now of the state office in Sacramento, proposed that Sunol affiliate with San Jose, and that was the purpose of the vote Tuesday. The district, Cakebread said, remains in status quo.

It is understood that if Sunol district decides to join the Campbell Elementary School district that it then would automatically become a part of the Campbell High School district. It could maintain its identity by affiliating only with the high school district.

Miles Harrington, Sunol School Superintendent said yesterday he expects the district trustees will call another election this time however on a proposition to join Campbell High School District.

There are more than 50 students from Sunol district attending attending Campbell High School, being picked up by school bus outside the Sunol district.

Life-Saving Class To Start Soon

Coach Scroggins, high school swimming instructor, has announced that starting Saturday, September 24, he will conduct life saving classes for both juniors and seniors. Minimum age for a junior is 12, and minimum age for a senior is 16. The life saving course will consist of seven sessions on seven consecutive Saturday mornings from 9:00 a. m. to 12 noon. A small fee will be charged for locker room. Private pool owners are especially invited to take this course.

Anyone interested can signup in room 35 at the high school. Applicants will be required to demonstrate breast stroke, side scissor kick, and front flutter and scissor kick. Juniors must be able to swim 220 yards, and seniors 440 yards. Upon completing the course they will be issued a Red Cross certificate.

KIWANIS WINS ANOTHER GAME

The Campbell Kiwanis Club, bona fide members, after twice trouncing the bona fides of the Campbell Rotary Club in soft ball games, faced the Campbell Lions Club bona fides in a game Tuesday evening, winning 13-4 behind the tight pitching of Howard Atkinson. Clarence Nelson was on the receiving end for the Kiwanians.

Troop 31 Takes Secret Order Hike

Explorer Scouts of Troop 31 included a secret order hike in their Tuesday evening meeting. The troop was divided into three groups with each group given sealed envelopes as to their destination upon reaching a designated point. The hike ended with the entire troop meeting on Campbell Dam on Casey Road and having a marshmallow roast.

The scouts were accompanied by their scoutmaster, Vincent Diehl, and their advisor, Bob Locke.

NURSING COURSE

San Jose State College will offer four courses for registered nurses during the fall semester beginning Sept. 19, Miss Grace Staple, head of the Nursing Education Department, announces.

A course in ward administration will be given at 11:30 a. m. Mondays and Wednesdays.

45 NEW TEACHERS HIRED BY CAMPBELL SCHOOL DIST

The administration office of the Campbell Elementary School District has announced the appointment of new personnel to the teaching staffs of the Campbell schools. The list includes the appointment of Anthony Van Laarhoven as principal of Rosemary School and 45 new teachers.

Schools, principals and new teachers are as follows:

Campbell, Mrs. Dorothy Royce, principal. New teachers are Rejeana Cauhape, seventh; Robert Crockett, seventh; John Hobberlin, seventh; Patricia Santant, eighth; and William Woodfint, seventh.

Cherry Lane, Mrs. Ann Meridier, principal. New teachers are Eleanor Allen, second; Louise Bonanno, first; Susan Hichborn, first; Colleen Norment, fifth-sixth; Galen Wilcox, fifth.

Cypress, Ernest Rideout, principal. New teachers are Marlene Foster, kindergarten; Wayne Mitchell, fifth; Patricia Swarthout, second; John Wenzel, fourth; and Mary Alice Smith, second.

Dover, Duane Beaubien, principal. New teachers are Marlene Foster, kindergarten; Richard Miller, sixth; Ruth Monsen, fourth; Dorothy Orey, second; Norberta Schmidt, second.

Hamilton, Wayne Fontes, principal. New teachers are Ruth M. Clark, fourth; Betty Rae Daugherty, kindergarten; Marilyn Perkov, fifth; Patricia Wiley, first; Eli Aguilar, fifth.

Monroe, Neal Royer, principal. New teachers are Norma Plesse, fourth; and Rosalie Kelly, first.

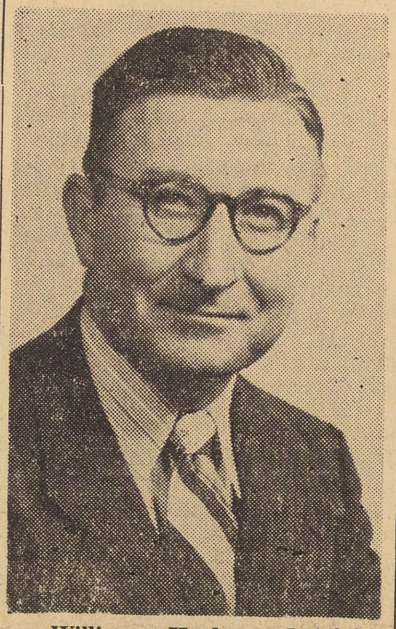
Moorpark, John Duncan, principal. No new teachers added.

Quito, Mrs. Dorothy Sutter, principal. New teachers are Virginia Dent, second; Dorothy Habenicht, third; Druery McMillan, sixth; Barbara Peacock, fourth-fifth; Maree Simas, second; Marlene Peterson, fifth.

Rosemary, Anthony Van Laarhoven, principal. New teacher is Maureen D'Attilo, kindergarten.

San Tomas, Jack Fischer, principal. New teachers are Roger Aylard, fourth; Frances Boden, fifth; Novelle Dahle, first; Irma Elden, second; Ethel Ferry, second; Cathleen Hillberg, fourth; Claudia LeFevre, second; Willie Oglesby, third.

District-wide personnel are Helen Leigh, school nurse; Bernice Schulz, school nurse; and Dorothy Somerville, speech therapist.



William Henley, district superintendent of Campbell Union Grammar School district, who estimates 5407 students will enter classrooms in the ten public schools here on opening day, September 12, as compared with 4650 who entered on opening day in 1954. (See story on page 5).

Campbell Grade Schools To Open September 12

Opening date for all Elementary schools in the Campbell Elementary School District has been set for September 12, William C. Henley, district superintendent, said today. All schools will hold regular full day sessions.

With the exception of Monroe, beginning September 1, all school offices will be open Monday through Friday, between the hours 9 to 12 a. m. and 1 to 3:30 p. m. for registration of kindergarten and all new pupils. Monroe personnel will etablish temporary offices at Rosemary until the new school opens September 12, Henley said.

A Central Staff Meeting has been called for 9:30 a. m. Monday, August 29, at the administration building. Principals and Central Staff members are asked to attend.

A meeting originally scheduled for all District Personnel for September 8 has been changed to September 6, at 3:00 p. m.

Prior to the opening of school, the Campbell Teachers' Association and the district office will hold a picnic at Club Almaden Wednesday afternoon, September 7. The picnic which will include swimming, volleyball, tennis, and horseshoes, wll be followed by a steak barbecue at 6:30 p. m.

Bible School To Open Monday

The daily Vacation Bible School to be conducted this summer by the Congregational Church will open August 29 and continue through September 9. The study of different churches is one of the interesting features planned. All children, kindergarten through 6th grade, are invited to attend.

Assisting Del Hollenberg with the school as teachers are Mesdames Donna Worden, LaVerne Whistler, Betty Voytek, Mary Hummel, Dorothy Lyles, and the Misses Alice Smith, Jean Smith, and Karla Edsinger.

Camden High To Have 32 Teachers

A faculty roster of 32 has been completed for Camden high school, according to Dean Chamberlin, principal.

Date for the opening of Camden high and its parent school, Campbell Union High, has been se for September 19.

Chamberlin's staff will be headed by Phil Maxfield as dean of boys; Ruth Owen, dean of girls, and Muriel Carson, librarian.

Open house has been scheduled for Sept. 23 by the Camden High P. T. A.

Swim Club To Enter Competition

The Campbell Swim Club will go to San Francisco Saturday to participate in the Examiner's Far Western Swim Meet. Entries include schools from all over United States and Hawaii. On September 3and 4 the swim team will travel to Sacramento to take part in the Junior Olympics which is held simultaneously in many sections of the United States every year. At this time judges will pick the nation's speediest swimmers from among the entrants.

Governor Favors Butano As Park, Grange Is Told

A letter from Governor Goodwin Knight to Orchard City Grange stating that he is very much in favor of preserving Butano Forest as a state park was read to members by Herbert Shadle, master of the grange, at Tuesday evenings' meeting. The letter was in reply to one sent by the grange asking him to state his position on the much discussed Butano Forest question.

Members unanimously passed a resolution stating the grange feels very strongly that money should be appropriated to buy this forest and preserve it as a state park. Copies are to be sent to various state authorities as well as the governor.

In other business, the grange voted to have another "go to church Sunday". Members will meet and worship at the First Methodist Church next Sunday at the 10:30 a. m. service. It was also decided not to have a meeting September 13 because of the county fair. The next meeting will be September 27.

John Gordon, district deputy, reminded the grange of a special officers meeting on August 29 at 7:30 p. m., at Mt. Hamilton Grange Hall.

The lecturer, Josephine Biller, introduced Martin S. Walsh who showed films of his recent trip to Fairbanks, Alaska. A New York visitor, John Godfrey of Orchard Park Grange, was introduced by the master. An annoucement was made of the next meeting of the Home Economics Club which will be held October 14, at the home of Mrs. H. Shadle on Alice Way.

Refreshments were served by Mrs. H. Shadle, chairman, assisted by Mrs. Earl Dodson, Mr. and Mrs. Louis C. Scarper, Mr. J. W. McKenzie, and Mark Purmort.

CAMBRIAN TO JOIN CAMPBELL LIGHT DISTRICT IN JULY

A Cambrian annexation to the Campbell Lighting District has been approved by the Santa Clara County Board of Supervisors but as this area is not included in the 1955-56 assessment roll there will be no fnuds available for lighting this area during the present fiscal year.

Richard Olson, clerk of the board said yesterday that lighting service may begin July 1, 1956 as this area will then be included in the 1956-57 assessment rolls.

The present Campbell Lighting district embraces the city area and some surrounding lands.

The Cambrian annex area begins at Apricot Way takes in Cambrian Corners by extending along the San Jose-Los Gatos Road to and including Camden avenue then the Shamrock Drive to the west and including Casey Road, Salerno Drive, Erin Way and Olympia Avenue.

The petition seeking annex of this area to the Campbell Lighting District was circulated by Vladimir Fabris and was approved by the Board of Supervisors on August 15th.

Fire District Loan Approval Is Withheld

Santa Clara County supervisors Monday decided to take a closer look at financing operations of a county agency reported to be applying a new twist to the old saying, "buy cheap, sell dear."

They held up approval of a $100,000 loan from the county treasury to Central Fire District.

In answer to a question by Supervisor Joseph McKinnon, Controller John M. Francisco said the district has more than $40,000 which it plans to invest in order to earn interest.

At the same time, Francisco said, the fire district would be borrowing $100,000 from the county—at no interest—to tide its financing over until tax funds are on hand in December.

Two More Weeks For Swim Classes

Swimming is the only phase of area recreation program still in the Campbell union high school operation, according to Ken Robison, director.

The last two-week session of swimming lessons began this week.

Recreational swimming every afternoon will probably be continued if the weather is warm, Robison said, until a week before high school opens, September 19.

Whist Party

San Tomas Improvement Club will open its season's activities with a Whist party at 8 p. m. Wednesday evening, August 31, at 521 S. San Tomas Road. Members and friends are invited. There will be prizes and refreshments.

Chairmen in charge of arrangements are Mrs. Fred H. Smith, Mrs. H. G. Blohm, and Mrs. Frank Welsch.

EDITORIAL

FIGHT FOR THE BUTANO

The fight to save the Butano Forest from the ax and saw is facing a crucial test this week. The air is warm at Sacramento where wires and letters are pouring in from all over the state urging that steps be taken to stop destroying this last stand of virgin forest in California.

A subcommittee on beaches and parks saw with their own eyes a few days ago what was going on there and they returned to Sacramento to propose having State park funds now on hand, used to buy the land at once and stop this destruction. In the meantime, at Eureka, the State Park Commission is meeting and is to hear a proposal that condemnation proceedings be started so that logging work can be stopped and the State has time to process the purchase in natural channels.

In a letter on this page, written and signed by Governor Goodwin Knight, his interest is definite and constructive. He has asked the State attorney general for an opinion on his right to use State park fund money now to buy the 2400 acres for a park in the absence of a specific appropriation by the Legislature. Governor Knight indicates he will do everything in his power to provide an adequate Butano forest state park.

Santa Clara County is sending Karl Belser, its planning consultant, to the State Park session at Eureka.

These loggers in the Butano are like wild bulls in a China closet, and someone is going to have to chase them out of there. They know their right to cut won't last long in view of public sentiment; so their work goes on feverishly.

Either we buy it now and tell them to get off our property or we condemn it and tell them they have no legal right to put a saw to more trees until negotiations are completed.

The proposal for purchase of the Butano has been before the legislature for a long, long time, through several administrations, and it is a bit difficult to understand why action has not been taken ahead of the actual logging operations.

GIVE THE HOME FOLKS A BREAK

We haven't heard much about helping the people in the East who lost so much of their property and so many lives in the recent tornado and rail deluge. Perhaps there agencies prepared to look after situations such as this and if so, that is good. We are, however, inclined to feel this loss is a heavy one because so much of it is not covered by insurance.

President Eisenhower has indicated some eighty million dollars may be needed to aid the people and that he is looking for a way to make this appropriation without having to call Congress back into session.

If a disaster like that had happened in a foreign country, the appeal would have been made for help, and we would rally to it, feeling that we were helping someone in need.

Come to think of it, these people on the East coast are in need and they are our own people, American voters.

In the last decade we Americans have been told of the millions of dollars sent overseas to help some countries recover from economic distress. We have been told of the millions sent to countries to stave off communism, and we felt that if by doing so it would serve these purposes, then well and good. We have been told that some countries needed financing to recover from industrial setbacks, and that trade restrictions had better be lifted to make it easier for them to find markets.

It is all well that we did so, to a limit. When we see pictures of wall writing about "Yankee, go home!" and hear about the way our loaned money has been used, sometimes to make goods for shipment to China Reds when fighting our boys, or for import to this country to undermine the price structure of American made goods that had to meet high labor demands, we wonder if the limit has not been about reached.

We are talking about help for people facing an emergency now! Perhaps the loss is not as great as reported—we only know what we hear broadcasted, see on TV and read about in the newspapers. But for the moment we wonder if someone in authority has the fortitude to stand up and tell Congress to lay off sending our money overseas for a while because we have an emergency to meet right here at home. The fellow who gets up and says that is going to win a lot of friends and nation-wide support. It's time to give the home folks a break.

HELP FOR FLOOD VICTIMS

The Campbell Press has, without any previous mention of the need for relief for flood victims, already received $196 from volunteers for use through the Red Cross. We will continue to accept funds, or they may be given direct to Laurance J. Hill, committee chairman, at the High School administration office, or to Henry Jewell, membership chairman, at Cambrian Corners real estate office or his home, 541 Cambrian Drive. There is no goal set for this fund, and it is to be voluntary.

LETTERS TO THE EDITOR

Sacramento, Calif.

EDITOR, The Campbell Press:

I have been deeply concerned with the importance of securing Butano Forest as a State Park in order to preserve its scenic and recreational value for the benefit of the people of this State.

The purchase of this valuable forest was included by the Legislature in the last session, in an omnibus bill, S. B. 1729, which I was forced to veto in the public interest, because some definitely undesirable projects were included in that bill. Butano Forest is one of the desirable projects; and I can assure you that this valuable recreational area will be preserved by my administration.

The omnibus bill appropriated $15,932,500, to be expended in specified amounts for 18 different park and beach projects. The Governor did not have the legal power to eliminate any of these projects from the bill while allowing others to remain. Unless I approved the entire appropriation, including all projects, my only authority was to eliminate the appropriation in total, or reduce it. In the latter event, each of the 18 subsidiary amounts making up the total would have been reduced prorata. The latter action would have left insufficient funds for many of the desirable projects, and at the same time, left too large an amount available for expenditure on the undesirable or questionable ones. There was no possible way of eliminating any item other than vetoing the entire bill.

Your attention is called to the fact that the omnibus bill contained a specific restriction which prohibited the expenditure of any portion of the amount allocated to the Butano Forest State Park project prior to April 1, 1956.

As soon as it came to my attention that timber cutting had commenced in the portion of Butano Forest covered by the proposed project, the Director of Natural Resources, Mr. DeWitt Nelson, in accordance with my instructions, met with representatives of the timber operators, San Mateo County Board of Supervisors, and the Butano Associates on July 28. At that conference, the representatives of all groups reached an agreement which has since been ratified by their parent organizations, but which, of course, is subject to approval by the State Park Commission and subsequent authorization by the Legislature at its next session. It is believed that the solution represented by this agreemnt will be a conclusive step toward solving the very complex problem of acquiring and preserving the essential portions of Butano Forest as a State Park scenic and recreational area under conditions which are consonant with the public interest.

Under this agreement, all timber cutting in the north half of the north half of Section 22 will cease until the State and the timber operators can agree upon a highly selective system of logging which will protect the scenic value of that portion of the area. Furthermore, no timber will be cut in the south half of the north half of Section 22, through which the road runs from west to east, and which has a high recreational and scenic value. Under the agreement, timber cutting will take place in Section 16 and in the east half of the southeast quarter of Section 17, but it is believed that this will not have an adverse effect upon the over-all scenic or recreational value of Butano Forest State Park project.

I appreciate your interest in this project; and I assure you that I will do everything in my power to work out the above proposal for an adequate Butano State Park. Subject to prior approval of the State Park Commission, it is my intention to incorporate the proposed purchase in the budget which I will submit to the Legislature in March, 1956. This will place the Butano Forest State Park project before the Legislature one month before the earliest date on which any funds appropriated by the Omnibus Park and Beach Bill could have been expended for this project under the restrictions contained in that bill.

Sincerely,
GOODWIN J. KNIGHT
Governor

The Campbell Gambol

HOMING PIGEONS Seem to be well trained by Albert Scheerer at his place on West Rincon avenue as they go through with a lot of maneuvers when turned out for exercises each day . . . Scheerer says they fly in formations while he cleans their lofts and puts in fresh water . . . just as soon as he is through he merely waves an arm and says "come on" and they immediately fly back to their correct stations . . . young ones are called squeakers . ..he has 42 pigeons including breeders, and has been raising homers for many years mostly for flight racing, but some for the government in war work . . . in 1942 he received a commendation from the 280th Signal Corps for birds he had trained for the service and again March 16, 1945 from Brigadier General C. M. Milliken of Camp Crowder for that service . . . in 1943, Rep. Cecil King had a citation issued for a homing pigeon believed to have been one from Scheerer's place, which had saved the lives of 144 British troops at Cola Vecchia, Italy, by its having carried an important message 20 miles . . . Sheerer has one pigeon, now 12 years old that made a record flight of 570 aerial miles from the Dalles, Oregon to Campbell . . . Homing pigeons are put in cages and usually shipped by Express to an agent a few hundred miles away, with instructions to release them and wire back the time of release, then from this information the time of flight is determined . . . there is a flutter of wings as the birds are released and they seem confused, gradually gaining elevation and begin circling about overhead then suddenly one by one they strike out in the direction for home and wing their way back over the most direct route, very seldom becoming lost.

FACE LIFTING Seems to be in general program along the avenue as the Maderis Food Mart front is torn away to be replaced by a brick facing and new glass all modernistic, the building which formerly housed Horace's Grocery is being torn away to be replaced with a modern facing . . . Lee Bros. Market building going up fast so as to be ready for opening at Latimer and Winchester on October 15, orchards removed at Hamilton and San Jose-Los Gatos Road so the Hamilton Plaza Shop Center can be started and completed by May 1956, and out Campbell Avenue to San Tomas Aquina Road, the zoning has been approved for a neighborhood shop center and adjacent to the west plans for a 10-room new school both now in orchards but which in six months or so will be cleared as a part of a 1200-home building development.

CAMPBELL'S FIRST Postoffice and its first telephone office was in the building being torn down today at 263 East Campbell avenue bought recently by William Lloyd because it has become somewhat of an eyesore . . . Charlotte Sutter wrote that her brother Charles Willett was named postmaster in 1891 with her as his assistant and it was operated from this store building for five years, after which Mr. Weitzenberger was named postmaster with the office set up across the tracks near the lumber yard . . . Mr. Weitzenberger established the first rural route in California in 1896 as an experiment and because of its success here it was then introduced throughout the state . . . Ellis Preston, the first mail carrier here had the distinction of being first to deliver mail from an automobile, this being from a two-cylinder auto on July 5, 1904.

Walter Grau Is Cheery Farmer For County Fair

Walter Grau is to personify 1955 Cheery Farmer, symbol of Santa Clara County Fair announced President A. L. Christopher today. The neighborly character of the old-time County Fair dons farmer costume of blue bib overalls, yellow duster and boots, grabs his carpet bag and sets off yodeling a Hi Neighbor invitation to the Fair starting September 12.

During the Fair he will tour the Fairgrounds and playground area to give out buttons and "goodies" to kiddies.

At home, 928 Pascoe, San Jose, Walter is a year-around man of the week with his wife and two grandchildren. During off season he is an insurance salesman.

Walter is the third and biggest Cheery Farmer the Fair has ever had; he stands 5' 10½". The first, Amos Orten was 5' 7" and the second, T. M. (Ebb) Bohn, 5' 10" of Campbell.

ONE WEEK TO REGISTER FOR COUNTY ELECTION

New residents of Santa Clara County who have not yet voted here but who wish to do so when the County bond election is held on October 25 will have until next Thursday to register.

County Registrar Eber Tarleton said registration is now being conducted in city and county fire stations. Qualified voters also may register during regular office hours with city clerks of the various county communities or at Tarleton's office at the First and Rosa streets Civic Center.

Martin Walsh In New Law Office

Martin S. Walsh of Budd Avenue, announced the removal of his law offices in San Jose from Bank of America Building to 267 Almaden Avenue. Mr. Walsh also has an office in Campbell at 200 East Campbell avenue.

WHAT'S DOING

T. K. Nordheim, your Telephone Manager in Campbell

Customer's letter describes thrill of telephone conference call

MRS. CLARA B. WILCOX

"Dear Sirs: Recently my brother arranged a conference telephone call with me and our two sisters. We each live in different parts of the country. The operator let me know about it at noon and said we would all be able to talk to each other at the same time. That night, right on time, it was carried out perfectly. It was as though everyone was right in my kitchen, it was so clear. I do want to thank all who helped make this thrilling experience possible."—*Mrs. Clara B. Wilcox*

We certainly appreciate letters like this, for they tell us we've succeeded again in making the telephone still more useful to you. And that's the most important part of our job. **Pacific Telephone works to make your telephone a bigger value every day.**

* * * * *

Take life easy with extension phones

Can't you picture the convenience of always having a telephone within easy reach? You could relax on the patio or porch, for instance, without having to move to answer a call. And with telephones in the living room, kitchen, and any other room you use a lot, your telephone arrangement for easy living is complete. You save time and countless steps. Cost: Less than a nickel a day for each additional phone. And remember, too—if you're planning to build or remodel—that it's easy and inexpensive to include built-in telephone wiring and outlets in your plans. They'll make your home even more modern and livable. For free advice on built-in wiring, or more facts about extensions, call your telephone business office.

EXPECT 5407 TO ENROLL IN CAMPBELL ELEMENTARY SCHOOLS

By Vivian Faulkner

District Superintendent William C. Henley said today an estimated 5407 pupils in the Campbell Elementary School District will trek back to classrooms when schools open September 12, and an additional enrollment can be expected throughout the year as more families move into mushrooming new subdivisions in the Campbell area. The 5407 estimate is 757 over last year's peak enrollment of 4650 pupils and is based on an annual survey conducted by principals of each school as to the number of filled houses and houses under construction in each of their school districts. Henley said. From this survey the district office is able to accurately predict the number of new students to expect at the various schools in addition to the regular enrollment, and make preparations according to their needs.

Campbell Grammar School leads the list with an enrollment of 991 seventh and eighth graders. Last year a few sixth graders were retained, but this year the school is composed entirely of the two upper grade classes.

Enrollment for the other nine schools is, Moorpark, 595; San Tomas, 524; Hamilton, 724, last year's was 580; Rosemary 300; Cypress 581, an increase of 120; Quito, 411, future growth expected; Cherry Lane, 390, last year 350; Dover 548, last year 383; and Monroe, 339.

All schools will be filled to capacity and some to overflowing. Of the latter, Dover is the most critical. Most Dover students will be on double sessions, as will a group of primary grades at Hamilton, and some primary classes at Cypress.

Although the opening of Monroe School will relieve some overcrowded conditions at both Hamilton and Rosemary, Henley said, the new school itself will be overcrowded and plans are already underway for construction of additional classrooms. The new school will open with ten class rooms and two kindergarten rooms completed and some paving in. Administration offices and cafetorium will be finished later.

Construction of additional wings is being rushed at Dover, Cypress and Quito with all units expected to be completed by Christmas to relieve these schools of double session. The largest addition is to Dover where eight classrooms and a cafetorium are under construction; followed by Quito with five classrooms and kindergarten, and Cypress with four classrooms and kindergarten.

Henley said the board of trustees is planning to build another school in the swiftly growing northeast section of the district, but are having a little difficulty finding a site large enough for school needs. Other plans call for additions to a few other schools in the fall.

Cambrian Schools To Open With Double Sessions

The opening school bell will ring September 12 for an estimated 1600 children in the Cambrian School District, the district administration office announced today. This is an increase of 188 over the district enrollment of 1412 at the close of school, June 17. 1200 will attend Cambrian and 400 Steindorf. Of these 300 from Cambrian and Steindorf will transfer to Bagby School when it is finished at the first of the year.

Lesley Norberg, principal of Steindorf School, speaking in the absence of the district superindent, Delos Bagby, announced all children in Glenwood and Westpark tracts will attend Cambrian School with anticipation of transferring to the new D. M. Bagby School at the first of the year. These children previously attended Steindorf School. Children attending Steindorf School include those from Cambrian Park south of Union Avenue, Cambrian Park Estates, Cambrian Manor and Hacienda Gardens. All other districts will attend the main school, Cambrian, on Casey Road and San Jose-Los Gatos Highway.

Norberg said all grades one through sixth at Cambrian will be on double session and Steindorf will have grades one through four on double session until a five room wing, now under construction, is completed at the first of the year. At Cambrian it has been necessary to eliminate shop and home economics from this year's program in order to make room for additional classes. The shop has been converted to a seventh grade and the home economics room has been taken over by the kindergarten.

Norberg also said two new buses have been purchased for student transportation, bringing the school fleet to five.

Ted Jones, principal of the new Bagby School now under construction, said his school is tentatively scheduled to open at the first of the year. It will consist of ten classrooms, a kitchen and multipurpose room, and house classes from kindergarten through sixth grade. All seventh and eighth grade students from Bagby and Steindorf will attend Cambrian.

Carmel LaMalfa Hereford, principal of Cambrian, announced the appointment of 14 new teachers and said six more will be signed before school opening date.

New teachers at Cambrian will be Mrs. Janet Haynes, first grade; Jo Ann Scalletta, Darlene Bergman, and Mrs. Irene Dowd, second; Mrs. Rose Vessell and Bill Lemon, fourth; Mrs. Vivienne Reed, fifth; Sal Coletto,, Phil Barone, and Mrs. Shirley Ely, seventh; Mr. Hoefling and Mrs. Lois Moody.

Hired to teach at Steindorf are Mrs. Mary Ellen James, kindergarten, and Leo O'Neil, fifth grade.

Vocal music teacher for the district will be Frank Canino.

Prior to the opening of school, an orientation meeting will be held September 6, 7 and 8 at both Cambrian and Steindorf schools for all new teachers.

Happy Blue Birds Have A Camp-Out

Happy Blue Birds, a group of nine year old girs, had their first experience with over-night camping last Wednesday at Blackberry Farm, and, according to their leader, Mrs. . B. Rappe, they found the ground wasn't as soft as they had thought it might be.

With the assistance of five Horizon Club girls, the group packed up last Wednesday morning bright and early and set out for Blackberry Farm. After setting up camp, the smaller girls were shown how to make miniature rafts, which they floated down the creek, and other handcraft articles. Each girl was required to do her own cooking, which at lunch time consisted of a weinie roast

J. Emery Awarded Trophy For Bantam At County Fair

Judge A. J. Emery, of San Jose-Los Gatos Road, has returned home from the San Luis Obispo County Fair at Paso Robles with 24 bright new ribbons and a gold trophy, all prizes he won exhibiting his pure-bred bantams. The fair was held Wednesday through Saturday of last week.

Of 1600 birds exhibited at the fair, Judge Emery's white Plymouth Rock pullet was judged best of show and awarded a gold trophy.

The Judge has been breeding white Plymouth Rocks for the past 56 years and has won hundreds of ribbons and scores of trophies with his prize winning birds in fairs all over the United States. At the present time he keeps only 40 choice show birds. These he plans to show this fall at the Santa Clara County Fair, Fresno County Fair, and Pomona Fair in Los Angeles County.

Prizes awarded Judge Emery in the Barred Plymouth Rock bantam breed are: 1st cock, 1st hen, 1st and 2nd cockerel, 1st and 2nd pullet, best male, best female and best display in the American class.

Plymouth Rock bantam breed; 1st cock, 3rd and 4th hen, 1st and 2nd cockerel, 1st and 3rd pullet, best male, and best female.

White Plymouth Rock bantam: 1st cock, 1st hen, 2nd cockerel, 1st pullet, best male and best female.

California produced 50 million commercial broiler and fryer chickens in 1954.

The geographic center of the United States is near Lebanon, Smith County, Kansas.

Rebekahs Sponsor Fall Fashion Show

Models wearing the latest "Back To School Fashions" will promenade down the ramp Friday evening, when Hesperian Rebekah Lodge of Los Gatos holds its Fall fashion show at 7:30 p. m., August 26, at the Louise Van Meter School on San Jose-Los Gatos Road. There will be door prizes and refreshments. Tickets will be sold at the door.

Mrs. Cora Foster, chairman of the affair, will comment on fashions suitable for mother and grandma as well as those for the back-to-school crowd. Other chairmen are Mrs. B. C. Rappe, decorations; Mrs. Alice Spaich, wardrobe; tickets, Mrs. Gertrude Argall; refreshments, Mrs. Maria Carnajac; and clean-up, Mrs. Ruby Douglas.

Shops whose fashions will be featured in the show are: VanArsdale of Cambrian Plaza, Crider's Department, Mrs. Williams' Dress Shop, Hawaiian Handcraft, Calico Shop, Ruth Roberts Children's Shop, Gladys Ann, and Hope Courtney.

Quito Baptists To Move Into New Church

Sunday services at the First Baptist Church of Quito Park will start with Sunday School for all ages at 9:45 a. m., followed by the morning worship at 11:00 a. m. Pastor Herbert J. Hoover will speak on "Our Citizenship".

Young people of the church will meet at 6:30 p. m. for an especially planned service. The evening service will follow at 7:30 p. m. with the pastor speaking on "Laborers Needed". Music planned for the evening will include Mrs. Joan Bickel playing the marimba. A "Singspiration" will follow.

This will be the last service the First Baptist Church will hold in the Moreland School before moving into their permanent church home on Sunday, September 4th. The new church building is located on Saratoga Avenue between Prospect and Quito Road.

Thirty-six States now have Tree Farm programs under way.

MADERIS FOODS IS GETTING A FACE-LIFTING

The sound of sawing and hammering echoes throughout Maderis Food Center this week as Vince Vallelunga, the new owner, directs workmen in extensive changes which will give the building an entirely "New Look" inside and out. When finished the store will be modern in appearance throughout.

The large front windows have been removed and replaced with the long high windows found so often now in newer buildings, and the space below is being filled in with red brick facing. The side door will be glassed over and new corner doors installed to make less confusion in entering from the parking lot or Campbell Avenue.

Inside, the back wall is being removed and a large meat display counter running the full width of the store is being installed so that customers can have better choice of meat or have it cut to order. The present self-service counter will hold only cold cuts and delicatessen foods. Under the new front windows a new large refrigerated counter will be installed for fresh produce and even the checking counters will be placed for greater convenience of the customers.

Blossom Valley Garden Club Visit Capitola Gardens

Blossom Valley Garden Club toured the tuberous begonia and fuchsia gardens at Capitola last Wednesday morning and topped it off with a picnic luncheon at Seacliff beach. The group assembled first at Fish's Nursery on San Jose-Los Gatos road before making their trip to the coast.

Club members making the tour were Mesdames Fred G. Starbuck, president, Zeno Hallett, John Henzie, O. K. Morris, George Ninnis, Earl Dodson, Stephen Austalies, Herbert Gilbert and daughter Mary, Malcolm Blue, H. M. Wagned and daughter Martha.

It was "Men's Night" when the club met recently at the home of Mrs. Earl Dodson on the San Jose-Los Gatos Road to celebrate the second anniversary of the club's founding. Mrs. Fred Starbuck, president, conducted the meeting and introduced the guest speaker, Albert Wilson, who is a well-known garden consultant and landscape architect of this area. Wilson discussed planning and care of California gardens.

At the close of the program an anniversary cake, tea and coffee were served in the patio.

NEW IN SANTA CLARA

DURABLE MAT COMPANY, 2926—16th Avenue Southwest, Seattle, Washington, will move to 755 Kifer Road, Santa Clara about August 31, where the firm has leased 6,000 square feet. Manufacturers of doormats, marine fenders and truck dock bumpers in Seattle since 1923, the company will employ approximately 25 employees. Capital investment is placed at $125,000 and market served includes 11 Western States in addition to Canada, Alaska and Hawaii.

Footlighters Will Present 'Sabrina Fair'

The Footlighters have selected "Sabrina Fair", a full-length comedy, as their play for Fall production and will hold open try-outs for casting on August 31st and September 1st. Anyone interested in participating either in the play or backstage is invited to attend. Tryouts will be held at 8:00 p. m. in the Campbell High School Auditorium. William Chestnut will direct. Fourteen characters (7 men and 7 women) comprise the cast of this sparkling new play which has just been released for amateur production, in little theatre groups.

Together with planning for their Fall activities, Footlighters have been enjoying some fine entertainment at their summer meetings.

Norene Mitchell and Alden Smith, drama professors at San Jose State College and well-known in this area for directing and participating in community theatre work, presented readings from Broadway plays at the June meeting. Club members and their guests thoroughly enjoyed the fine performance given by Mrs. Mitchell and Mr. Smith. So much so in fact that it led to a group of Footlighters preparing and presenting a group of readings as a workshop project in August. This is a new medium of expression for the club members and enthusiasm is high for more of this type of program.

WESTHOPE CHURCH TO HAVE RUMMAGE SALE

The Women's Association of Westhope United Presbyterian Church in Quito will have a rummage Sale, Friday, August 26, from 10 a. m. to 5:30 p. m. at 124 North Market Street, San Jose.

Final Rites For Harold C. Hild

Funeral services were held Tuesday from Darling, Fischer and Krug Memorial Chapel for Harold C. Hild, 50, who succumbed to a heart attack last Friday, August 19, whil eseated in his truck at Hollister. He had been a resident of Campbell for 18 years and made his home on Harriett Avenue.

Hild leaves his wife, Emma; a daughter, Jean Turner of Campbell; two sisters, Alvira Cesalik and Alma Varazosski, both of Ohio; and two brothers, Al Hild and Norbert Hild, also of Ohio; two grandchildren.

Interement was in Los Gatos Cemetery.

Lions Celebrate Fourth Anniversary

Campbell Lions held their annual "Charter Night" dinner-dance at Almaden Country Club last Friday evening to celebrate the fourth anniversary of the local club's founding. Wives were invited guests.

Charter members attending the dinner were Robert James, club secretary; Verle Grizzle, past president; Doug Beatty, Ted Solari, Harold Shumway, Bob McBain, Jack Volkers, and Ambroise Mirassou.

Guests of honor and guest speakers introduced by Bill Quigley Lion president and master of ceremonies for the evening, were District Governor of Region No. 3 Jay George and wife, Deputy District Governor Ernie Wasson and wife, and cabinet secretary Bob Angell. George spoke on the objectives of Lionism and said much of the success of Lion projects is due to the co-operation of wives.

During dessert, Mrs. John Chargin was surprised by club members when a large cake with lighted candles was placed before her in honor of her birthday.

At the close of the program the rest of the evening was given over to dancing.

Baptists Purchase Three Acre Site For New Church

El Bethel Missionary Baptist Church of Campbell has purchased a three acre site on Dell Avenue, Reverend John Cooper, minister of the church, revealed today. Dell avenue is opposite the intersection of Winchester and Sunnyoaks Roads. A six room house on the property is being used now as a temporary meeting place for the congregation.

Work is expected to begin in 30 days on the first unit which will house a six classroom Sunday school and a kitchen. Blue prints are being drawn by Frank Rouse of Campbell, the general contractor.

The new church will be rustic in appearance and contain 6,000 square feet, with the seating capacity for 400 in the main auditorium when completed. Church members will donate their time and labor to its construction.

The El Bethel Baptist Church is a newcomer to Campbell although a great many members of the congregation live in or around here. It was organized May 10, 1952, with Reverend Cooper as pastor and met in Costa Hall, San Jose. In November of '52 the congregation bought property at 1023 Meridian Road which it used for meeting purposes until it purchased the three acre Campbell site in July.

INTERNATIONAL BUSINESS MACHINES CORPORATION, 90 Santa Teresa Streets, San Jose, has leased 8,000 square feet in building at this address for expansion of its research and development laboratory. The firm plans to fully occupy the Doyle Building (with the exception of space occupied by State Department of Employment) when a new building is completed about September at 199 Bassett Street.

LEGAL NOTICE

NOTICE OF SALE OF REAL PROPERTY

NOTICE IS HEREBY GIVEN that on Monday, the 19th day of September 1955 at the hour of 10:00 A. M. at the main entrance of the Court House of the County of Santa Clara, in the City of San Jose, California, Pacific Title Insurance Company, a corporation as trustee, will sell at public auction to the highest bidder, for cash in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Santa Clara, State of California and described as follows, to-wit:

All of Lot 21 as shown upon that certain Map entitled Tract No. 311 "Vista De Las Montanas" which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California on June 3, 1946, in Book 10 of Maps at Pages 44 and 45.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by William A. Cahill and Dorothy J. Cahill, also known as Dorothy Jean Cahill, his wife, to California Pacific Title Insurance Company as Trustee for the benefit and security of Chester Ray Brott and Anna M. Brott, husband and wife, as joint tenants, dated May 20, 1954 and recorded May 21, 1954, in the office of the Recorder of the County of Santa Clara, State of California, in Book 2878, of Official Records, Page 491.

Toll Road Along Bayshore May Be Built By State

A toll highway along the tidelands and shallow water sections of the bay is to be proposed at the next session of the state legistature by Richard Dolwig, Assemblyman from South San Mateo County. Dolwig is chairman of the Assembly subcommittee on conservation, planning and public works. He says there is wide interest in such a highway as each of the other three north-south highways are over crowded.

PACIFIC TELEPHONE & TELEGRAPH COMPANY, 140 New Montgomery Street, San Francisco, will build a two-story "L" shaped addition to plant at Hope and Dana Street, Mountain View, at estimated cost of $145,000. Addition will add 3,800 new phones.

Moreland Expects 1300 Enrollment

Moreland schools anticipate a marked increase in enrollment this year due to the many new homes under construction in the district.

When school opens Sept. 12, Moreland School will house the Kindergarten and grades five through eight. Grades one through four will attend El Quito Park School. Grades one and two will be on double session and it may be necessary to place some third grades on double session also. An enrollment of about 1100 is anticipated for early fall, increasing to 1300 or more before the close of school in June, 1956.

At present there are 175 children enrolled for Kindergarten, 35 being on a waiting list.

Bucknall, the third school in the district, scheduled for completion by Nov. 1st will have a Kindergarten, five classrooms, and a room for Special Education. When it is completed classes will be moved from El Quito Park School to Bucknall and the new Kindergarten class organized.

New teachers in Moreland District this year are: Mr. Robert Meek, grade 6, Moreland, Mrs. Ruth Hansen, Grade 2, El Quito Park, Mrs. Treva Ungaro, Grades 1 and 2, El Quito Park, Mrs. Jerri Mildon, remedial reading and Mrs. Muriel Baron, vocal music coordinator will work in the district. Mrs. Betty Morgin, who is on leave of absence, will return to the Bucknall School Nov. 1st.

Mr. Robert Tack is principal of El Quito Park School and Bucknall School. Mr. Frank Lovoi is Principal of Moreland School, and Mrs. Gussie M. Gaker is superintendent of the district.

WHITLOW'S CAN CLOTHE THE WHOLE FAMILY FOR FALL

Whitlow's in Saratoga has a large selection of clothing for back to school, for boys and girls, from kindergarten to college. Many nationally known brand names are stocked at Whitlow's, such as Van Heusen sport shirts, boys' and men's levis, Pendleton shirts, Farah 13 3/4 ounce jeans in sizes 6 to 16.

Cinderella Dresses will delight the girl from age three to fourteen, and these also come in teen and half sizes.

This is Boy Scout headquarters for the area with Whitlow's also carrying clothing and equipment for Cub Scouts and Den mothers.

Malatesta's the Place for College Girl Fashions

Malatesta's in Los Gatos now carries ready-to-wear skirts, blouses, dresses, and lovely, flattering hats. This shop continues to carry glamorous gowns and lingerie, as well as jewelry and accessories.

The college girl will find those fashionable two piece tweedy suits at Malatesta's, as well as the latest and best quality sweaters, skirts, blouses and knit suits.

Mrs. Malatesta's, who formerly had a shop in New York, is a most skilful buyer. Many of the items she carries in her store, which is located at 296 N. Santa Cruz Ave., are imported from abroad. She has available for the discriminating customer the best in accessories, jewelry and bags that foreign countries make with such painstaking care.

Her lovely line of dresses include sizes for the misses, regular and half sizes.

Athletic Wear On Hand At Wildcat Sport Shop

Wildcat Sport Shop, newly located at 133 N. Santa Cruz Ave., in Los Gatos, has a large supply of "back to school" needs in boys' gym wear. Here the athlete will find trunks, T-shirts, socks, sports Jackets and many other "must" for the well dressed student. Canvas Shoes of the famed "PF" Goodrich brand are available here, as well as Chuck Taylor Converse —both in fall styles.

Wildcat has everything for the sportsman, too. Guns, ammunition, tents, sleeping bags, fishing equipment—everything along that line is available here. Sport equipment is stocked heavily—football, tennis, archery, basketball, badminton sets. Tennis and badminton rackets are repaired.

Fairy Tale Setting For Calico Shop

It is a delight to the child when the parent takes him to The Calico Shop in Little Village, Los Gatos. The lane to this shop passes through a landscaped court, complete with bubbling fountain. The architecture of this Shop reminds one of a fairy-tale setting and the Calico dog rhyme painted on the Dutch doors carries out this illusion.

Inside, the parents and children find a shop brimming over with everything for the child, from stuffed toys to Vogue dolls, from infant wear to teen-ager.

National brands in clothing are featured for both boys and girls. A large selection of Trude and Kate Greenaway dresses will interest the smart youngsters, and the boys will like the Youngwear line and Gold Rivet Jeans.

Budget Prices Featured At Ruth Roberts Shop

Ruth Roberts' Children Shop in Los Gatos specializes in distinctive styles and well-known brands of clothing for school children, both boys and girls, at prices to fit the budget.

Girls will like the May Claire sweaters, Ship and Shore Blouses, Tammy Lynn skirts. The attractive and economical Bambury Coats are carried here—this is the coat that can have a year added to the sleeves and hems.

Ruth Roberts' Children Shop is located conveniently at 9 North Santa Cruz Avenue near Main Street in Los Gatos.

Moreland Board Calls Election On School Bonds

Moreland District is holding a Bond and Authorization Election on October 11, 1955. The trustees are asking for approval of a $250,000.00 Bond issue and authorization to borrow $500,000.00 from the state.

These funds are needed to continue the district's school building program. A rapid rise in school population is anticipated as many new homes are under construction in the district. The money will be used to construct a school in Strawberry Park where the district is purchasing a school site of eleven acres. The funds will also be used to purchase additional school sites and construct classrooms as needed.

If the election carries, a two-thirds majority is required, construction of the school in Strawberry Park should begin by Feb. 1, 1956 and the building be completed by the following September. Classes will be on double session in the district until classrooms can be constructed.

The Citizens Advisory Committee is studying this problem and have appointed a committee to carry on this work with H. P. Nettesheim as chairman.

BANK OF AMERICA, 300 Montgomery, San Francisco, will erect a one-story and mezzanine building at Monterey and Fourth Sts., Gilroy for expansion of business. Estimated cost is $97,866. Contractor is Howson Bros., Gilroy.

LANGENDORF UNITED BAKERIES, INC., 1685 South Seventh Street, San Jose, will build an additional storage building to its bakery warehouse. Estimated cost of the addition is $20,000. Contractor is J. H. McFarland, San Francisco.

NEW SHOE STORE HAS TWO FAMOUS LINES OF SHOES

A store just opened this month is the Children's Shoe House at 232 S. 2nd Street, San Jose. This store carries two nationally known lines of shoes—Child Life and Tom Swift. Child Life shoes are carefully fashioned to cradle growing littl efeet in happy comfort, support them in all movements and positions. There are many styles for school, play and dress. Child Life shoes come in extra wide and extra narrow shoes, at no extra cost. Corrective shoes are available in all sizes, widths, and styles designed to give extra support for troubled feet. The child is not conscious of any difficulty when wearing these shoes—in appearance they are identical with regular shoes. Only the inside is different—built-in construction that helps ailing feet grow strong and straight.

Child Life shoes are made in "first step" sizes, and these, too, come in narrower width for the child with slender feet. Tom Swift shoes for boys are in all sizes, widths, and styles, and especially designed to suit going-growing feet.

Moreland Expects 1300 Enrollment

Moreland school trustees are negotiating for a site suitable for the construction of an upper grade school for grades 7 and 8, probably to be located on Campbell Avenue between Saratoga and San Tomas Aquino Roads.

Construction of an upper grade school would make it possible for the younger children living near the Moreland School to attend school there. Moreland is now being used to house grades five through eight.

Mrs. Marian W. Dearborn is president of the board of trustees, Geo. D. Robertson is clerk and other members are Sam E. Manfre, Vincent Carter and Robert W. Brydon.

The trustees have requested the Citizens Advisory Committee to recommend suitable names for two more schools in the district. Mrs. Alicemae Smith has been made chairman of the school names committee.

Trustees plan to build the new school after the Strawberry Park school is completed, depending on passage of a bond election. It would be at the westerly limits of Campbell and would fringe San Jose annexed lands on its easterly boundary.

OAKHILL IMPROVEMENT COMPANY, Monterey and Stone Avenue, San Jose, has purchased lot at Lincoln Avenue between Willow and Broadway, San Jose, at estimated cost of $83,000 as tentative site for new commercial building.

Bon Ton Millinery Has Finest Of Hats

The one hat that will perfect your fall outfit you will find at Bon Ton Millinery, 78 South First in San Jose. This store carries nothing but the finest in merchandise, including some exclusive to the area lines such as Howard Hodge and Nat Frank.

Fall colors and styles are now stocked in this store, and Mrs. Sophie Ritz Klein invites readers to come in and browse around. Some new colors this season are peacock blue, capri olive and terrero pink—these latter two derived from the Italian. Blacks and navy are good, of course, and browns range up to the light tones of spice and honey bear. There are tweeds, bankers grey, and many other shades.

The Bon Ton also makes hats to order, and also cleans and remodels in their own work shop.

Parlow's Shoe Styles Lead By Miles

Parlow's, the "feet first fashions" in shoes, is in downtown San Jose at 38 South First. The school and college girl will find the ever-popular saddle oxford available at this store.

These are in white and brown elk and the all white real buck, both with hard rubber soles and flat heels so beloved by the today's school girls.

The very latest in styles for day sports and evening slippers may be found here. Parlow's carries only the highest quality merchandise.

Hoffman's Sweater Shop Has All The Latest Fall Styles

Hoffman's Sweater Shop in San Jose is a specialty shop crammed with the sweaters and skirts that appeal to the older back-to-school crowd of girls.

The sweaters range in size from 34 to 40, in all colors and all types, such as novelties, slip-ons, cardigans. There are Wondameres, Zephyr wool, Orlons, Lamb's wool, cashmeres—whatever the girl has in mind for that just right sweater for school.

Skirts are in all varities and colors. There are wools, orlons, tweeds, novelties, flannels, imports and there are the slim and the flared.

Hoffman's is located at 31 South Second Street, San Jose. There is free parking at 20 S. Second St., and this store is open Thursdays until 9 p. m.

CASBI'S IN WILLOW GLEN CARRIES SMART CLOTHING

The passer-by is charmed with the window arrangement as Casbi's in Willow Glen—a tree is loaded with an array of golden jewelry. The customer knows when she walks into this lovely salon, that this shop carries the stunning, the fashionable, the unique in women's wear.

The bride-to-be finds an array of wedding gowns, in whites and pastels. Here the female members of the wedding party may be correctly and beautifully equipped. Costume jewelry by Monet is carried in this shop. Monet is the Master Jeweler, who can only create the exquisite. And for scent perfection—colognes and perfumes are by Bal de tete.

The smart college girls as well as young matron will like the sophisticated Carlyle creations, now on hand in the latest fall fashions, fabrics and colors. Sweaters are by Westwood—lovely to look at, flattering to wear. Here also is a good selection of Warner's bras. Casbi's is located at 1378 Lincoln Ave.

Good Understanding Is Found At Cobbler House

Children find that it's fun to try on shoes at the Cobbler House at 1376 Lincoln Avenue in Willow Glen. Robert Ziegler, manager, had a great big, realistic train built, complete with engine, wheels and seats. It's all make believe and doesn't really run—but the children really enjoy sitting in this train while being correctly fitted in Weather Bird shoes.

This store, opened just five months ago, also carries smart "Weather Teens" for the growing girl. College girls and women who want a good fashionable shoe for any occasion will find what they want in this store. A good line of house slippers for adults and children are available here.

These shoes are priced to fit your budget—and your charge account is invited.

Guttman's Specialize In Youthful Large Sizes

Women who wear sizes 38 to 46 and half sizes, will be delighted to find that Guttman's at 215 South Second, San Jose, has a store completely devoted to flattering, youthful gowns for the larger women.

New fall merchandise is now in, and the customer will find Guttman's has the latest styles in dresses, both casual and for special occasions.

The dyed-to-match is popular this year, and this store carries the youthful styles in sizes 38 to 46. This is for the sportswear wardrobe, all planned with the one-color look in mind—styled to match, dyed to match. Skirts are available in waist sizes 30 to 38—the flared skirts in all wool with six easy gores will please the larger woman by its flattering lines. Lovely sweaters, in all styles and materials, are available in sizes 38 to 46, as well as are a large selection of blouses. Knit dresses in sizes 38 to 44 are available at Guttman's.

Exclusive Lines At Katherine Floaten's

The discriminating buyer will enjoy a visit to Katherine Floaten's shop at 25 South 2nd street. Mrs. Floaten has many nationally advertised lines, exclusive in the San Jose area to her store.

Rodex suits, made in England, appeal to both the school girl and matron for their high style, excellent workmanship, and lovely material. Here is a good selection of Harry Becker custom-made suits, O'Rosson suits, and Baron Peter's. These latter come in both Tailored and costume styles, in both suits and dresses. The woolens are all Forstman, and there are many other types of fabrics.

In junior styles, the Ellen Kaye line will appeal to the girl who desires to combine sophistication with high style and quality. Everything for the college girl and young matron are available under the Carlye brand. Many other lines are available at this shop, which also carries half sizes in both suits and dresses.

INK STAINS

By HELEN McLEOD

THIS BACK TO SCHOOL EDITION seems like a good place to record some of the summer doings of the area's teachers. At least two members of Moreland faculty are having wonderful times abroad. RALPH BROWN and his wife took a "de luxe" freighter trip to Japan. MARGARET SANFILIPPO and her sister are touring Europe and Asia. Friends received a card from Africa lately. The two girls have seen many countries and attended some music festivals. Miss Sanfilippo is music teacher in the district. THE ROBERT SUTTERS motored back East, with New York and a great part of Canada on their itinerary. Mrs. Sutter is principal at Quito School, and Mr. Sutter teaches at Moreland. ALICE WESTFALL, speech teacher, also traveled to New York and visited relatives in Key West, Florida. BERTHA HOAGLAND sought out the sun in Arizona and Southern California. Many teachers attended school this summer, among them MRS. KAY GUM and JAMES HALL and FRANK LAVOI. Mr. Lavoi, Moreland principal, also spent a week in the High Sierras Scout Camp. MYRTLE SHREWSBURY attended summer school in San Diego. ROBERT BRODIE had charge of summer recreation at Moreland Playground, and EUGENE MERCURI did the same job at El Quito Park School. School office workers MRS. CLARENCE BARR stayed home and helped her husband build a patio, and LAVERNE BITZER stayed home and rested—when she wasn't working at Moreland most of the summer. MRS. ALICE SMITH took a bus-driver's holiday and drove the district's buses during Campbell's recreation program weeks. MRS. MARION PANKOWSKI took a cook's holiday and cooked at Country School in Los Gatos. MRS. HAZEL HOPKINS and family toured the middle West, visiting relatives and seeing the sights. MRS. BERTHA RAAB and family went back East and returned with a bright new car. MRS. MAE MONTMORENCY camped with her family at King's Canyon, and also visited Disneyland. She was delighted to find that this fabulous place offered much entertainment to adults. It was like stepping into the past to stroll down "Main St., U. S. A.," she says. Every single detail was complete and perfect to give the illusion of being in a small town of some decades ago. There was the old-time depot, the horse-drawn street car, the little shops. Many rides are suitable for adults, such as the surrey with fringe on top, and the stage coach. While waiting for a ride on the Mississippi steamboat, there were a number of cameramen. Vice-president Nixon, his wife and two daughters were there, and Mrs. Montmorency's party had the distinction of riding in the same boat with the Nixons.

WHEN THE WHITE RABBIT RUNS AROUND Paseo Flores, I try to pretend it doesn't belong to us. He escapes so often, that it's ceased to be funny. Adults as well as children try to recapture Bugs Bunny, but in the end he returns to our yar in his own good time. I never knew a rabbit became attached to humans. Bugs demonstrates his feeling for us by always coming back—even after being gone for several days. At least, he'll never end up in our frying pan—for who could eat a rabbit who cares?

MRS. CARLTON was very delighted recently when her nephew whom she hadn't seen for eight years, visited at her home on Paseo Olivos. The nephew, Lt. Norman E. Corwin, Jr. is an instructor at an Oklahoma Air Base.

VFW Hold Picnic At Felton Park

Approximately sixty members of the V. F. W., Byron Lanphear Post, No. 3605, held a picnic last Saturday at Henry Cowell Memorial Park at Felton. The affair was a combination barbecue and potluck with "Pud" Thompson as head chef. Mrs. Virginia Silva was chairman of picnic arrangements.

To reserve tables for the Post, an enterprising group of twenty drove to the picnic grounds at 7:30 a. m. and cooked their breakfast bacon and eggs while waiting for the others to arrive.

Members were sorry to hear Mrs. Millie Hill would not be able to attend the picnic because her sister Mrs. Megs Wilson had been injured in an accident.

Byron Lanphear delegates selected to attend the installation of the Santa Clara County Council of V. F. W. on August 29, in I. E. S. Hall, Santa Clara, are Mrs. Edith Smith, 2nd vice; Mrs. Ernest Jones, Jr. vice; and Mrs. Millie Hill, flagbearer.

Saratoga Nursery School Opens Soon

Programs are being planned for the adult members of the Saratoga Cooperative Nursery Group. The mothers or fathers of the children enrolled in the nursery school will attend monthly meetings, at which the business of the group is conducted and programs presented which are helpful to parents of pre-school children. Among persons who will speak to the group during this school year are Mrs. Richard Tansey, whose topic will be "Well Balanced Diet of Toys for the Year", and Mr. Leonard McConnell. the Executive Director of the Family Service Association of San Jose.

The nursery school is open to children between the ages of 2½ and 4 3/4. The younger children meet on Tuesday and Thursday mornings at the Saratoga Federated Church building. The pre-kindergarten children meet on Monday, Wednesday, and Friday mornings at the church. One of the parents of each child is expected to participate one morning every two weeks as an assistant to the director, Mrs. William Namaney.

Anyone who is interested in registering her child for the fall term may call either Mrs. Allen R. Young, at EL 4-3583, who is membership chairman for the younger group, or Mrs. Leonard Feldheym, at UN 7-9186, the membership chairman for the older group.

STATE HEARS OF COUNTY NEED FOR MORE ROADWORK

The 12-mile gap from Bayshore highway to Los Gatos to be known as Route 5 freeway was listed as the most important road project by State Chamber of Commerce and civic leaders at a State Highway Commission meeting Thursday in Sacramento, attended by Mayor Richard Morton of Campbell.

Mountain View-Milpitas Road to Sunnyvale of 1.3 miles was second. On non-freeway preference, the Sunnyvale-Saratoga Road of 9.4 was given first preference and El Camino Route 2 from Santa Clara north to Sunnyvale, 3.7 miles got second preference.

State took matter under advisement and decline to dedicate a program at this time.

The total national production of peas in 1954 was 850 million pounds.

Aquacade Draws Record Attendance

"Crystal Ball", the second annual aquacade presented by the Girls' Synchronized Swim Club last Thursday and Friday at the Campbell pool drew a capacity crowd both evenings, with standing room only for latecomers. Miss Jeannene Lathrop, Campbell High swimming instructor, not only trained her girls well, she also designed their costumes.

Featured at intermission were diving exhibitions by Bill Finch, swim coach at James Lick, and Bob Ustes, a San Jose State College student and Finch's protege. Both executed difficult and amazing twisting and somersaulting dives in perfect form.

Several specialty numbers of precision dancing were staged on deck with one, "Putting On The Ritz", ending with the girls diving into the water for the finish. A particularly spectacular number was "Land of Mystery" in which the entire group performed in total darkness with lights strapped to their wrists. Another outstanding group number, also performed in total darkness, was "Enchantment" in which fluorescent hoops were used.

James Tewksbury Succumbs At 91

Final services and burial will be held in Lincoln, Nebraska, for James S. Tewksbury, 91, who passed away Saturday after a long illness. He had resided at Route 1, Box 167-D for the past two years.

Tewksbury is survived by his widow Maude; three daughters, Mrs. Edith Thatcher of San Jose, Mrs. Harry Wolters of Campbell, and Mrs. Robert Bristow of Sunnyvale; a brother Mark Tewksbury of San Jose; five sisters; eight grandchildren and 14 great-grandchildren.

He was a native of Pennsylvania and a member of Scottish Rite Bodies of Lincoln, Nebraska.

Funeral arrangements were made by Lima, Salmon and Tully Memorial Chapel.

SANTA CLARA DISTRIBUTING COMPANY, 1565 Lafayette Street, Santa Clara, will erect a new warehouse type building for its wholesale tobacco-candy business at 1251 Bayshore Boulevard, San Jose. Estimated cost of the building is $40,000. Contractor is Frank W. Wenningar, San Jose.

Tony Oreglia of 31 E. Rosemary Lane was taken by complete surprise when he walked into the patio of the Ren Orsi ranch on Winchester Road last Saturday evening and was greeted with "happy birthday" by a number of his good friends. The surpise party was engineered by Tony's wife, Mollie, who told him they had been invited to a barbecue dinner. It was a barbecue dinner, but table centerpiece was a large birthday cake appropriately inscribed for Tony. Moving pictures were tagen of the festivities and of the dance which followed. Attending the party were Messers and Mesdames Ren Orsi, Dick Bowen, Geno Barsanti, Peter Aiello, Joseph Costello, and Frank Hart.

Mr. and Mrs. L. A. Orford, of 980 Hacienda, returned Sunday from a 32 day trip in which they covered 6,000 miles of western United States and visited Glacier, Yellowstone and Rainier National Parks. Arriving at Denver, Colorado, they stopped for a few days with friends before going on to Billings, Montana, to visit their son and family, Mr. and Mrs. Norman A. Orford and children Norman, Jr. and Diane, whom they had not seen in four years. Before returning home they stopped with friends in Seattle, Washington, and a niece and nephew in Yachats, Oregon.

W. L. Archibald (Windy) and family just had their first week of really roughing it. The family camped at Elk's Point, Lake Tohoe, and found life not too uncomfortable with their tent, sleeping bags and air matteresses. In fact, the Archibalds intend to try it again next year. Eleven year old Carolyn made several friends, one of whom has already written to her. Billy caught one fish, Mrs. Archibald landed three. The largest fish of Mr. Archibald got away—the usual luck of fishermen, but he did manage to pull in one.

School days ahead for Barbara Mulfod of 15062 Esther Drive wearing this Kate Greenaway dress, and Larry Shepard wearing this Billy the Kid jeans and plaid shirt from PARK KIDDIE SHOP. Both will enter the second grade at Parker School.
